Parent Permission slip for Afterschool Interventions

Date:

Parents of:

Our mission at Calvert Independent School District is to create a learning environment that will ensure the academic, social and emotional growth for our students so that they will be successful in school, college, work, and life. We believe as a learning community that failure should not be an option. One of the interventions that we will provide this semester is an after-school tutoring program on Monday, Tuesday, Wednesday & Thursday's beginning January 14, 2019 – February 28, 2019. The intervention schedule for elementary school will be from 3:00-4:00 and high school from 3:30-4:30. Teachers will send an additional intervention schedule listing their exact intervention days. The goal of this program is to provide additional interventions for students who did not master the Texas Essential Knowledge and Skills (TEKS) taught in their classes during the first semester of the school year. The after school interventions will consist of the following:

- Small groups
- Engaging learning activities
- Students will receive interventions based on their individual needs
- Teachers and teacher aides will be available throughout the intervention sessions
- Snacks will be provided for all participating students
- Transportation will be provided

Please sign and return providing permission for your student(s) to attend the intervention sessions
