Thank you for your continued support, Calvert ISD appreciates and values you!

Calvert ISD

"The Supt Times"

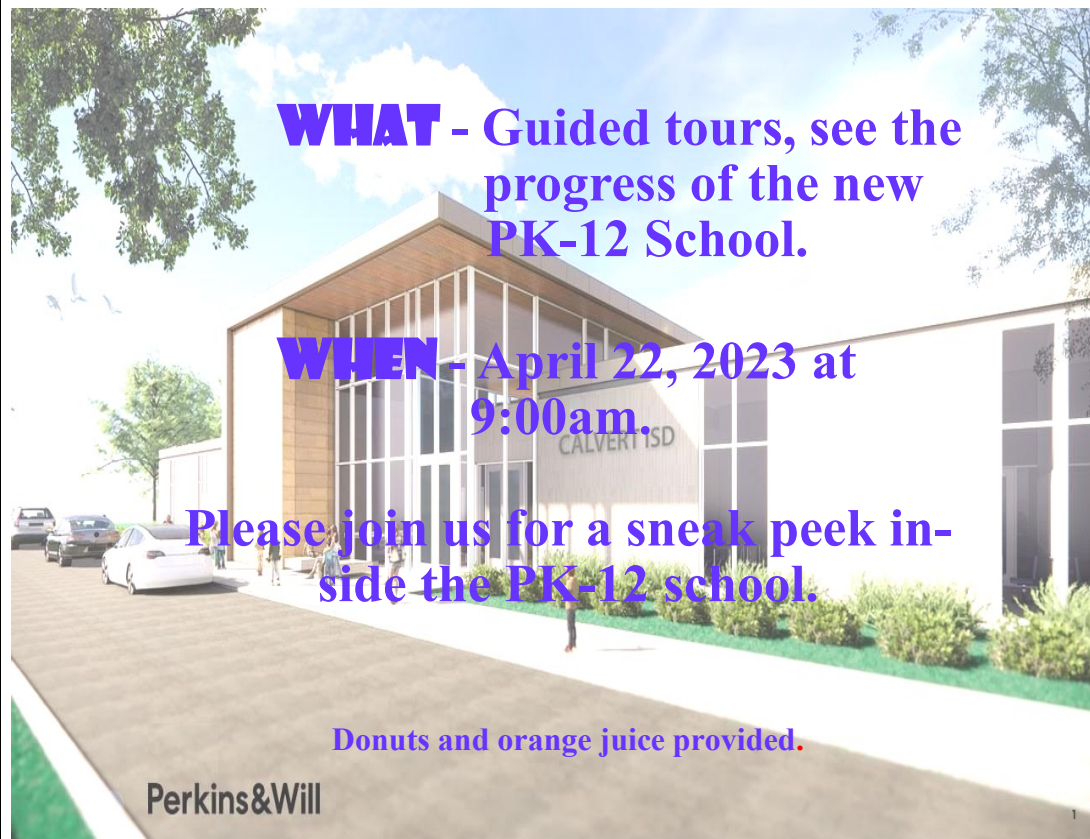

Dear Trojan Nation,

Today is a great day to be a Trojan. Can you believe it, we are almost done with the 22-23 school year? We are in the final stretch and it is hard to believe that there are only seven weeks remaining. The remaining seven weeks are very important for several reasons. First, we are approaching STAAR and EOC testing. Secondly, the teachers and support staff are working hard to ensure that instruction and learning is taking place at high levels. Lastly, we are watching the construction of the new PK-12 school and it is happening just before our eyes.

As we enter the home stretch of this 2022-23 school year, I want to thank everyone for staying the course in the classroom and beyond. As always, whether you are a classroom teacher, a parent, or a community member, your concerns are important to us, and our support is unwavering....WE ARE TROJANS TOGETHER.

Graduation is near, I invite you to come out and support the efforts of our outstanding students, all of whom are Calvert ISD scholars. On behalf of the Calvert ISD Board of Trustees and the Calvert Independent School District, I wish the entire Calvert ISD family continued good health and great success.

Sincerely,
Dr. Thyrun Hurst, *Superintendent*

Dedicated to Education... Learning Today for a Better Tomorrow

STAAR testing is here!

The State of Texas Assessments of Academic Readiness (STAAR) program, which was implemented in Spring 2012, included annual assessments for:

- Reading and mathematics, grades 3-8
- Writing at grades 4 and 7
- Science at grades 5 and 8
- Social studies at grade 8
- End of Course (EOC) assessments for English I, English II, Algebra I, Biology, and U.S. History
